

SuccessComplete

**SAP® EMPLOYEE CENTRAL AND  
DIGITAL PERSONNEL FILE**

**ALL FROM ONE PROVIDER:  
HR DATA AND DOCUMENT MANAGEMENT**

With our product suite SuccessComplete we are taking the decisive step towards 100% digitized HR processes in the cloud. SuccessComplete combines the outstanding data management of SAP® SuccessFactors® with the comprehensive, seamlessly integrated document management of *aconso*. HR data and documents in daily business finally become one unit.

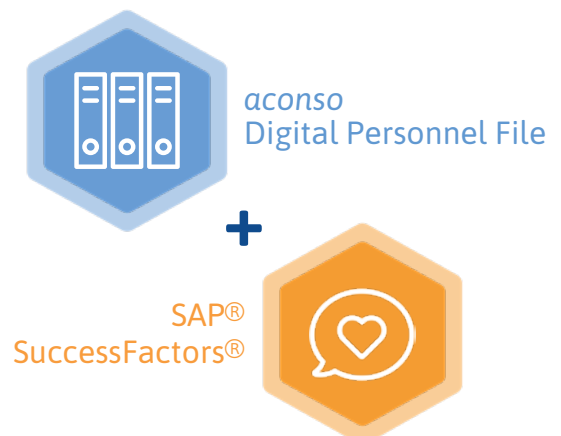

**SUCCESSCOMPLETE:**

- Use the full range of features of SAP® SuccessFactors® Employee Central!
- Access employee data and documents of the digital personnel file in the SAP® SuccessFactors® launchpad with just one click!
- Upload documents directly to SAP® SuccessFactors® and move them to the Digital Personnel File!
- Transfer documents from your e-mail communication to your Digital Personnel File via drag & drop!
- Use the SAP® SuccessFactors® authorization concept also for accessing data and documents in the personnel file!

**SUCCESSCOMPLETE - THAT'S INCLUDED:**

- Best practices for SAP® SuccessFactors® Employee Central
- Digital Personnel File in SAP® Fiori design
- Flexibel integration in SAP® SuccessFactors®: *aconso* Widget, in context menu, in place or as pop-over
- Standard roles for managers, employees and HR specialists
- EU-GDPR conformity

## SUCCESSCOMPLETE - IMPLEMENTATION:

Within a standard implementation workshop, we will work out your introduction concept under the motto beautiful, fast and simple. This gives you reliable short-term transparency about the expected implementation costs. These start at 50,000 € for the entire package. Depending on the project, the implementation can be completed within 8 weeks.

### THE FOLLOWING SERVICES ARE INCLUDED:

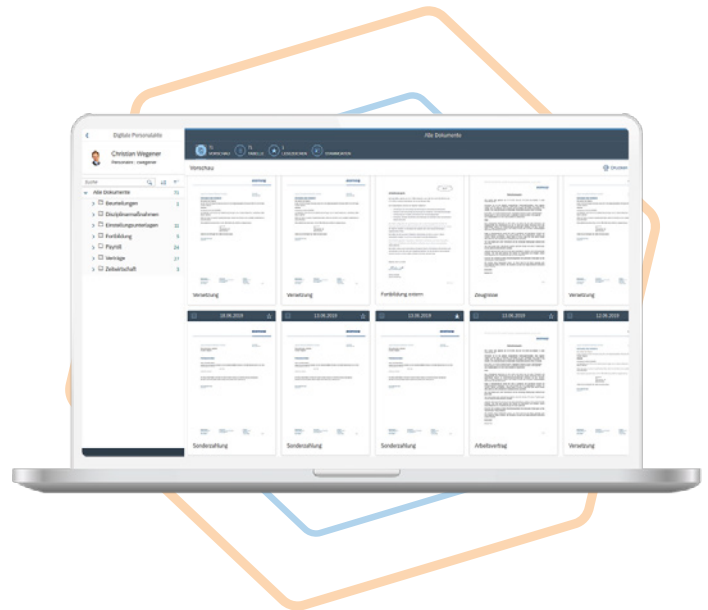

- Project management (schedule, resources and cost management)
- Setup of the master data interface of SAP® SuccessFactors® and the digital personnel file
- Set up three standard roles (manager, employee, HR specialist)
- Establishment of a best practice register structure
- Adoption of the SAP® SuccessFactors® authorization structures
- Configuration of the Retention Management (EU-GDPR compliant)

## SUCCESSCOMPLETE - PRICING:

Beautiful, fast and easy: This is also the concept behind the SuccessComplete product suite. The pricing model based on active master records gives you an overview of the expected costs within seconds.

For the digital personnel file in SAP® SuccessFactors® you start at a price of 1.56 € per employee per month.

The price for SAP® SuccessFactors® Employee Central is based on the current SAP® price list. Contact us for more information or get an overview of the price scales in the SAP® AppCenter.

SuccessComplete brings you closer to a world without media discontinuity by combining HR data and document management. In combination with other modules of the SAP® SuccessFactors® Suite, the 100% digital HR process becomes reality. We would be happy to visit you and present our integrated concept in more detail.

Together with you we will design a solution tailored to your challenges!  
You are welcome to contact us!
